Re: CC Docket 02-33 – Notice of Permissive Detariffing of Wireline Broadband Internet Access Service (“WBIAS”) and Consumer Broadband-Only Loop (“CBOL”) service by Cross Telephone Company (Study Area 431985)

Dear Valued Customer:

Our records reflect that Cross Cable LLC is currently purchasing WBIAS and CBOL services from Cross Telephone Company (“Cross”) under NECA Tariff No. 5 (“Tariff”). This letter is to advise you that Cross study area 431985 will discontinue provision services on July 1, 2017 pursuant to the tariff. Services will be made available to you on a common carrier non-tariffed basis. The existing rates, terms and conditions will not change until the end of your term or upon replacement with a Broadband Commercial Agreement. Cross’s rates, terms and conditions for its permissively detariffed WBIAS and CBOL service will be available at its office located at 604 3rd Avenue, Warner, OK 74469 and on its website at www.crosstel.net

The actions described above are taken in accordance with the FCC’s Report and Order (FCC 15-150) released September 23, 2015 in Docket No. 02-33. In the order the FCC determined that facilities based wireline broadband internet service providers could offer their services on a common carrier, permissively detariffed basis.

Sincerely,

Cross Telephone Company

CC Docket No. 02-33

Cross Telephone Company ("Company") hereby provides notice that it intends to cease offering wireline broadband service ("WBIAS") and Consumer Broadband-Only Loop ("CBOL") on a tariffed basis. Effective July 1, 2017, at which time it plans to offer permissive detariffed WBIAS and CBOL on a Title II, common-carriage basis pursuant to paragraph 94 of the Federal Communication's Wireline Broadband Order.(1) The Company currently offers WBIAS through Digital Subscriber Line ("DSL") Access Service and CBOL Service under NECA Tariff F.C.C. No.5.

Effective July 1, 2017, the Company will be canceled by NECA as an issuing carrier for NECA Tariff F.C.C. No. 5 concurrent with the Company becoming an issuing carrier for JSI Tariff F.C.C. No. 1, exclusive of WBIAS and CBOL.

Impact on Customers

The only customer for the Company's WBIAS and CBOL is the Company's nonregulated Internet Service Provider ("ISP") operation. The discontinuance of the tariffed offering of WBIAS and CBOL will have no effect on the end user service provided by the Company's ISP operation.

Serving Area

The Company's provision of WBIAS and CBOL is limited to its ILEC serving area in Arkansas.

Future Availability of WBIAS and CBOL on a Permissive-Detariffed Common Carriage Basis

The Company will continue to make WBIAS and CBOL available on a common-carriage basis through posting of rates, terms and conditions on its Internet web-site in a manner similar to that required for interstate and international interexchange services under Section 42.10 of the FCC's rules (47 C.F.R. § 42.10).
